GRANDMOTHERS FAN

This is an original easy quick- pieced method.
Designed by MARY LOU WRIGHT

This quilt is STRESS FREE. No intersections, no appliqué, and no sashings to worry about with Mary Lou's favorite Vintage patchwork quilt. It's easy for a new beginner and fun for seasoned quilters who are pressed for time to make a quilt for each family member. Quilters will learn to use Mary Lou's method to make and assemble the sections of the fan more quickly. If you have never stitched a curved piece before, a demo of the large outer piece shows it's a piece of cake to sew. Everyone will get into the act in trying a variety of block layouts. Leave worries and stress behind to enjoy working with friends old and new to finish quilt tops. Remember Finished is better than Perfect!
